January 17, 2014

An act to add Section 1569.605 to the Health and Safety Code, relating to residential care facilities for the elderly.

LEGISLATIVE COUNSEL'S DIGEST

AB 1523, as introduced, Atkins. Residential care facilities for the elderly: liability insurance.

Existing law provides for the licensure and regulation of residential care facilities for the elderly by the State Department of Social Services, including requiring, as a condition of licensure, bonds issued by a surety company for a licensee that handles the moneys of a person in the facility. Violation of these provisions is a misdemeanor.

This bill would require all residential care facilities for the elderly to maintain either liability insurance in an amount of at least \$1,000,000 per occurrence and \$3,000,000 in the annual aggregate or a bond in the aggregate amount of \$3,000,000. By creating a new crime, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 1569.605 is added to the Health and
2 Safety Code, to read:
3 1569.605. All residential care facilities for the elderly, except
4 those facilities that are an integral part of a continuing care
5 retirement community, shall maintain either liability insurance
6 covering injury to residents and guests in the amount of at least
7 one million dollars (\$1,000,000) per occurrence and three million
8 dollars (\$3,000,000) in the total annual aggregate, sustained on
9 account of the acts, omissions to act, or negligence of the licensee
10 or its employees, or a bond in the aggregate amount of three million
11 dollars (\$3,000,000).
12 SEC. 2. No reimbursement is required by this act pursuant to
13 Section 6 of Article XIII B of the California Constitution because
14 the only costs that may be incurred by a local agency or school
15 district will be incurred because this act creates a new crime or
16 infraction, eliminates a crime or infraction, or changes the penalty
17 for a crime or infraction, within the meaning of Section 17556 of
18 the Government Code, or changes the definition of a crime within
19 the meaning of Section 6 of Article XIII B of the California
20 Constitution.
